Dear Dental Provider,

Providence Baptist Church in Asheboro is sponsoring a free dental clinic for the underprivileged families in Asheboro and the surrounding communities on Saturday, December 2, of this year. Dental Volunteers are needed to volunteer their services at our church facility on Rock Crusher Road in Asheboro.

We will be using the NC Baptist Men's Mobile Dental Unit. The Medical/Dental Bus Ministry of the NC Baptist Men provides a means for free dental care to be offered to residents of North Carolina.

Approximately 4,000 people are treated annually through this ministry in over 150 locations throughout the state. This ministry offers Christians the opportunity to provide physical and spiritual care to people in need. Patient objectives through this ministry are people without insurance, the homeless, the elderly, etc. Dental treatments will include fillings and extractions. The bus used in this ministry includes two exam rooms. They are fully equipped to provide fillings and extractions. Local dentists and dental assistants are needed to volunteer their services at this clinic. The bus ministry is funded by donations from individuals and groups who see this ministry as a way to reach people for Christ.
